Bean's Station Hotel

Mineral Hill Springs.

THE SUBSCRIBERS, OWNERS and proprietors of the Mineral Hill Springs, and the Brick Hotel, at Bean's Station, Tennessee, having thoroughty renovated and refurnished the same, will open the same for the reception of visitors on the 15th of May, 1881.

Bean's Station is nine miles from Morristown, ennessee, the nearest station on the E. T., V. & B. R. R., near the base of Clinch Mountain, about G. B. R., near the base of the Mountain, about 1,500 feet above the level of the sea, delightfully located in the Bean's Station Valley, of which Mr. Eillbrew says: "The Bean's Station Valley is one of the most beautiful spots in the world, so pronounced by the visitor and travelier, without exception. From the lofty Clinch, with the distant elevation of four States on the borizon, the myriad intervening hills appearing like broken waves of a vast ocean in tempestuous agitation." vast ocean in tempestuous agitation. The wonderful arrangement of the vales, hills and reountains causes a cool refreshing breeze, very much resembling the seabreeze, making this one of the most delightful retreats in fill East

The hotel is a large and most substantial brick building, with large airy rooms, fire-places in each, perfect ventilation, surrounded by shade each, perfect ventilation, surrounded by shade trees and grass, affording a delightful play ground for children, immediately on the leading highway, three miles from Holston River, two miles from the base of Clinch Mountain, one mile from Tate Springs, one mile from Clinchdale Springs and the Mineral Hill Springs, including the celebrated Black Water, constituting part of the property, is now owned and controlled by the subscribers. The Mineral Waters in the immediate vicinity, embracing every variety of Sulphur Water, Chalybeate, Alum, Epsom, and the celebrated Black Water, which is a most remarkable spring, constituting as a whole the most wonderful combination of Mineral Waters to be found in any nation of Mineral Waters to be found in any neighborhood in the South, adapted to the relief of many of the diseases incident to humanity, and visited annually by hundreds of persons from all parts of the country. The Black Water, which, so far as we know is the only one of the kind on the continent, stands unrivaled for the relief of Rheuma tism, Scrofuls and almost every other disease of

he blood or skin.

The hotel will be under the immediate supervision of Mrs. N. A. McFarland, assisted by competent assistants and servants, and every attention will be given to the comfort and pleasure of guests. The fare will be as good as the country affords, and having made some reputation in this respect the past season, eare will be taken to maintain the reputation of the house. The Mineral Waters will be supplied to guests free of charge. Those not desiring Mineral Water will charge. Those not desiring americal water will find both free-stone and line-stone water of superior quality on the promises.

Persons desiring to visit those Springs reach them from Morristown, on the E. T., V. & G. B. R., forty-three miles east of Knexville, from which place a splendid line of backs runs daily to the ouse, at Bean's Station Fare for the trip \$1.50, fail matters, express packages and telegraphic Depatches delivered daily.
